On behalf of the men and women of the Lee's Summit Police Officers Association, we are honored to endorse Council Member Beto Lopez in his campaign for Mayor of Lee's Summit, Missouri.

Council Member Lopez has long been a visible, reliable, and proactive ally of the law enforcement community. He doesn't just show up for photo ops—he shows up when it matters most. Whether advocating for critical upgrades to our communications systems, supporting the expansion of public safety infrastructure, or listening directly to the concerns of frontline officers, Beto has consistently demonstrated that his commitment to public safety is both genuine and enduring.

During his time on the City Council, Beto has championed smart, strategic investments in public safety—ensuring our department keeps pace with the city's growth and evolving needs. Thanks to his leadership, Lee's Summit has seen improvements in officer training, fleet modernization, and recruitment and retention initiatives that directly impact the quality of policing in our community.

He has prioritized not only the tools and resources needed for effective law enforcement but also the relationships that keep our city strong. Beto understands that trust, transparency, and teamwork are essential pillars of public safety—and he brings those values into every policy discussion and decision.

Beyond his public safety efforts, Beto has been a steadfast advocate for balanced growth, fiscal responsibility, and preserving the character of Lee's Summit while preparing it for the future. His thoughtful, forward-looking approach has helped shape our city into one of the most desirable places to live, work, and raise a family in the region.

We are confident that as mayor, Beto Lopez will continue to be the kind of leader who values the people behind the badge, champions safety for all, and makes decisions that reflect the best interests of Lee's Summit—today and into the future.

We are proud to stand with Beto Lopez. We urge our fellow residents to support his campaign for Mayor and help elect a leader who has always shown up for Lee's Summit.

Stay safe,
